# PICK & MIX COURSES

Whatever your training, every semester you will follow five teaching units (UE).

These UE will allow you to adapt your training according to your profile.

## ACADEMIC CAREER

# ARTS, LITERATURE, LANGUAGES

## ➤ Bachelor's degrees

### > Applied Foreign Languages

- America: English-Spanish-Portuguese
- Asia-Pacific: English-Chinese, English-Korean, English-Indonesian

### > Literature

## ➤ Master's degrees

### > Applied Foreign Languages

- Languages, culture, international business - America
  - Languages, culture, international business - Asia/Pacific
  - Audiovisual and digital projects management \*
- ### > Management and international trade
- Economics and international trade - Asia

## ➤ University degrees in French studies (DUEF A2, B1, B2, C1)

# HUMANITIES

## ➤ Bachelor's degrees

### > Geography and urban planning \*

### > History

## ➤ Professional bachelor's degrees

### > Heritage, languages and tourism

### > Geographic information systems

## ➤ Master's degrees

### > History

- Projects or cultural institutions management \*
- e-Tourism and cultural engineering of heritage

### > Teacher Training

- Teaching young children (primary schools)
- Teaching History and Geography (secondary schools)

### > Environmental sciences

- Geography applied to coastal management \*\*

# SCIENCES, TECHNOLOGY, HEALTH

## ➤ Technology degrees (higher certificate)

- > Bioengineering (\*2<sup>nd</sup> year)
- > Civil engineering and sustainable building (\*2<sup>nd</sup> year)
- > Computer science
- > Networks and telecommunications

## ➤ Bachelor's degrees

- > BSc Civil engineering \*
- > BSc Computer science \*
- > BSc Mathematics \*
- > BSc Physics and chemistry \*
- > BSc Earth sciences \*
- > BSc Life sciences \*
- > BSc Health sciences \*

## ➤ Professional Bachelor's degrees

- > BSc Lab analysis and traceability \*
- > BSc Aquaculture and littoral environment (AQUAREL) \*
- > BSc Design and production in food industry \*

*Training site partly at Surgères*

- > BSc Low consumption and passive wood buildings \*
- > BSc Building Information Modeling (BIM) \*

*Coordination for the accomplishment of a work, from the offer to commissioning*

- > BSc Environment and building
- > BSc Construction site supervision \*
- > BSc Professional optics \*

*Training site partly at Brioux-sur-Boutonne*

- > BSc Network management and security \*
- > BSc Full stack developer \*
- > BSc Front-end web designer \*
- > BSc Full stack mobile developer \*
- > BSc IOT (Internet of things) developer \*

\* Available as a sandwich course (alternated training)

\* Master's degree in Engineering curriculum opportunity

## ➤ Master's degrees

### > MSc Biotechnology

- Applied Blue Biotechnology Master (M2) \*
- Biochemistry \*
- Biotechnological engineering and management in agro-industries \*

### > MSc Civil engineering

- Management and Integration of Energy Efficiency and Renewable Energies "Gl3ER" \*
- Building engineering: New Techniques for Construction and Renovation "TNCR" \*

### > MSc in Information Technology "ICONE"

- Software Architect \*\*
- Data \*\*

### > MSc Mathematics and applications

- Mathematics and interactions, MIX \*

### > MSc Teaching education and training (for secondary level)

- Mathematics
- Life sciences and earth sciences

### > MSc Materials science and engineering

- Materials and structures durability \*\*

*Jointly accredited with Universities of Poitiers and Limoges*

### > MSc Environmental sciences

- Coastal Geosciences and Geophysics \*
- Environmental Management and Coastal Ecology \*

## ➤ Engineering degree CESI

### > Building and Civil engineering \*

*In partnership with CESI Engineering College*

The Master in Engineering is a 5-year selective course leading to BSc and MSc degrees in engineering.

*The courses prospectus is subject to the opening of classes/modification.*

# LAW AND MANAGEMENT

## ➤ Preparatory class

- > For business schools (Economics)

## ➤ Technology degree (higher certificate)

- > Business studies

*Also offered in special year*

They can be found on the University's website.

# LICENCE MASTER DOCTORAT (LMD) SYSTEM

## BACHELOR - MASTER - PHD

Access to DUT, professional bachelor's degree, master and PhD is selective. Professional bachelor's degree is accessible after 2 years in higher education.

\* ECTS, European Credit Transfer System, is the European system allowing credit transfer for students between higher education institutions. A full academic year represents 60 ECTS. It is based on the student workload required to achieve the objectives of a program, indicated in terms of learning outcomes and skills to be acquired.
